Durham-Sud, November 3<sup>rd</sup>, 2023

**IMPORTANT INVITATION  
TO ALL OF US, CITIZENS OF DURHAM-SUD,  
TO PARTICIPATE IN THE STRATEGIC PLAN  
OF OUR MUNICIPALITY**

YOUR CONTRIBUTION IS SOUGHT ON TWO OCCASIONS:

- 1) SURVEY TO BE COMPLETED **BEFORE NOVEMBER 10**
- 2) PUBLIC CONSULTATION ON **NOVEMBER 14, 6:45 p.m.**

Over the past few months, the members of your municipal council, in collaboration with a consultant, have met several times to develop a strategic planning project for our municipality. This exercise allowed us to define our main directions, to set our future vision for Durham-Sud and above all to state the values that represent us.

The main purpose of this strategic planning is to provide Durham-Sud with a clear and structured vision in order to achieve our short, medium and long-term objectives. This approach therefore makes it possible to identify priorities and build a schedule of actions to be undertaken.

This approach, initiated by the council and then fueled by the citizens, has 3 stages:

- 1) Identification of orientations, vision and values.
- 2) Collection of information from citizens through the SURVEY.
- 3) Public consultation.

*Outcome = Strategic planning*

**Action to be taken by November 10<sup>th</sup>**

Complete the survey on the back.

Return it to the municipality, either:

The members of the council hope to meet you at the public consultation on Tuesday, November 14 at 6:45 p.m. in the Salle des loisirs in order to continue our collaboration.
